

VEGETATION

Basic elements of the Districts series diorama. Part 2
To build paper diorama with scissors and glue.

For color printing: sheets 1-7

For black and white printing: sheets 8-14

Assembly steps

1. Print the sheets on thick paper

2. Cut out each piece of a figure with scissors

3. Cut out the inner holes with scissors or with a ruler and a paper knife

4. Prepare the elements before assembling. Mark the fold lines with a ruler and some blunt instrument (e.g. a non-writing ball-point pen)

5. Pre-fold

6. Assemble with glue following the step by step instructions below

Places for gluing are marked with icon 

Start assembling the element from the place marked with the pink icon
