3 STOREY HOUSES. RECTANGULAR FOUNDATION

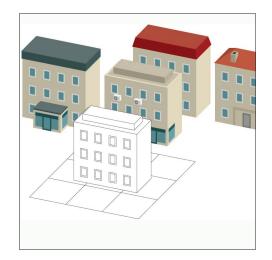

Basic elements of the Districts series diorama, Part 14. To build paper diorama with scissors and glue.

Options:

- several roof colors
- porch extensions
- pipe on the hip roof

For color printing: sheets 1-6

For black and white printing: sheets 7-9

Assembly steps

1. Print the sheets on thick paper

2. Cut out each piece of a figure with scissors

3. Cut out the inner holes with scissors or with a ruler and a paper knife

4. Prepare the elements before assembling. Mark the fold lines with a ruler and some blunt instrument (e.g. a non-writing ball-point pen)

5. Pre-fold

6. Assemble with glue following the step by step instructions below

Start assembling the element from the place marked with the pink icon ••
